THE HATTAKARN SPA

The Hattakarn Spa located at The Residence offers a wide range of spa and beauty treatments with indoor and outdoor treatment rooms. Our outdoor massage areas are set within a beautiful lilly pond to provide you with the most relaxing experience available. We also provide services in the privacy of your own villa.

All treatments booked also include the use of our gym. Treatment rooms are designed for the use of singles or couples with a Jacuzzi available to suite your needs.

Our Spa Manager can design a package to suite your needs during your stay with us and all our experienced staff have been trained to look after your health requirements should you want advice or help.

RED ROOM @ THE RESIDENCE

Our cozy restaurant 'Red Room' @ The Residence offers both open-air dining with a view of the local buffalo and local villagers and also an attractive indoor area. The inventive yet casual menu is a testament to both northern and southern Thai cuisine and culture. A newly designed menu serving a great selection of European and Thai food is available ranging from dishes like succulent New Zealand Mussels in a spicy tomato sauce to Beef Tenderloin served with Polenta Cake. In the mornings we offer full English breakfast, to treat yourself as you wake up in paradise or alternatively we also serve our healthy Spa breakfast to co-incide with our luxury spa treatments.
